

It is always a happy feeling when people say good things about you. You feel good about yourself. You smile. You walk upright and tall. You do the action again so that you can hear the nice comment again. The same way that you like people to say nice things to you and about you, it is also important that you do the same to others. Being nice to other people helps you to feel good about yourself.

"WHAT WOULD YOU LIKE PEOPLE TO SAY ABOUT YOU?"
