

# LET'S CONSERVE WATER!

Water is an indispensable resource for the life of the entire planet. We must take care of rivers, lakes and seas. If you conserve water, you will help protect planet earth.

**Instructions:** Colour or paint the images that tell you how to conserve water.

**DO NOT  
PLAY WITH THE  
HOSE**

**IN THE SHOWER,  
TURN OFF  
THE WATER  
WHILE SOAPING.**
